other term. It is his wish that antitrust legislation be placed on the statute
books at the earliest possible date. Party
exigencies, he believes, will not permit
postponement of action on this question
until 1904.

The forthcoming message to Congress
will make the trust question prominent,
it will make it clear to Congress that the
President hopes the subject will receive
consideration at the short session.

If, for want of time, the trust question
should not be disposed of at the coming
session, the President has in mind to hunting trip yesterday. The gun which ators as hard-hearted and unjust and as Hudson used was found, however, under the mattress of a bed in her house, and she finally admitted it had been brought to her house by Guy La Croix. Posses
